NATURAL GRANITE COLOR GUIDE / Guia de color de Sensa Granito Natural

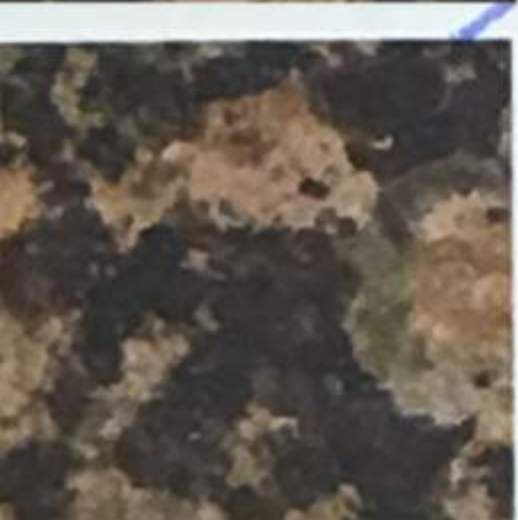

Sensa Granite is a product of nature and therefore it is not possible to guarantee that in-store samples and / or replica photographs will exactly match the final countertop that is installed. With nature's help, each Sensa Granite slab is unique with different patterns, textures, shades and coloring.

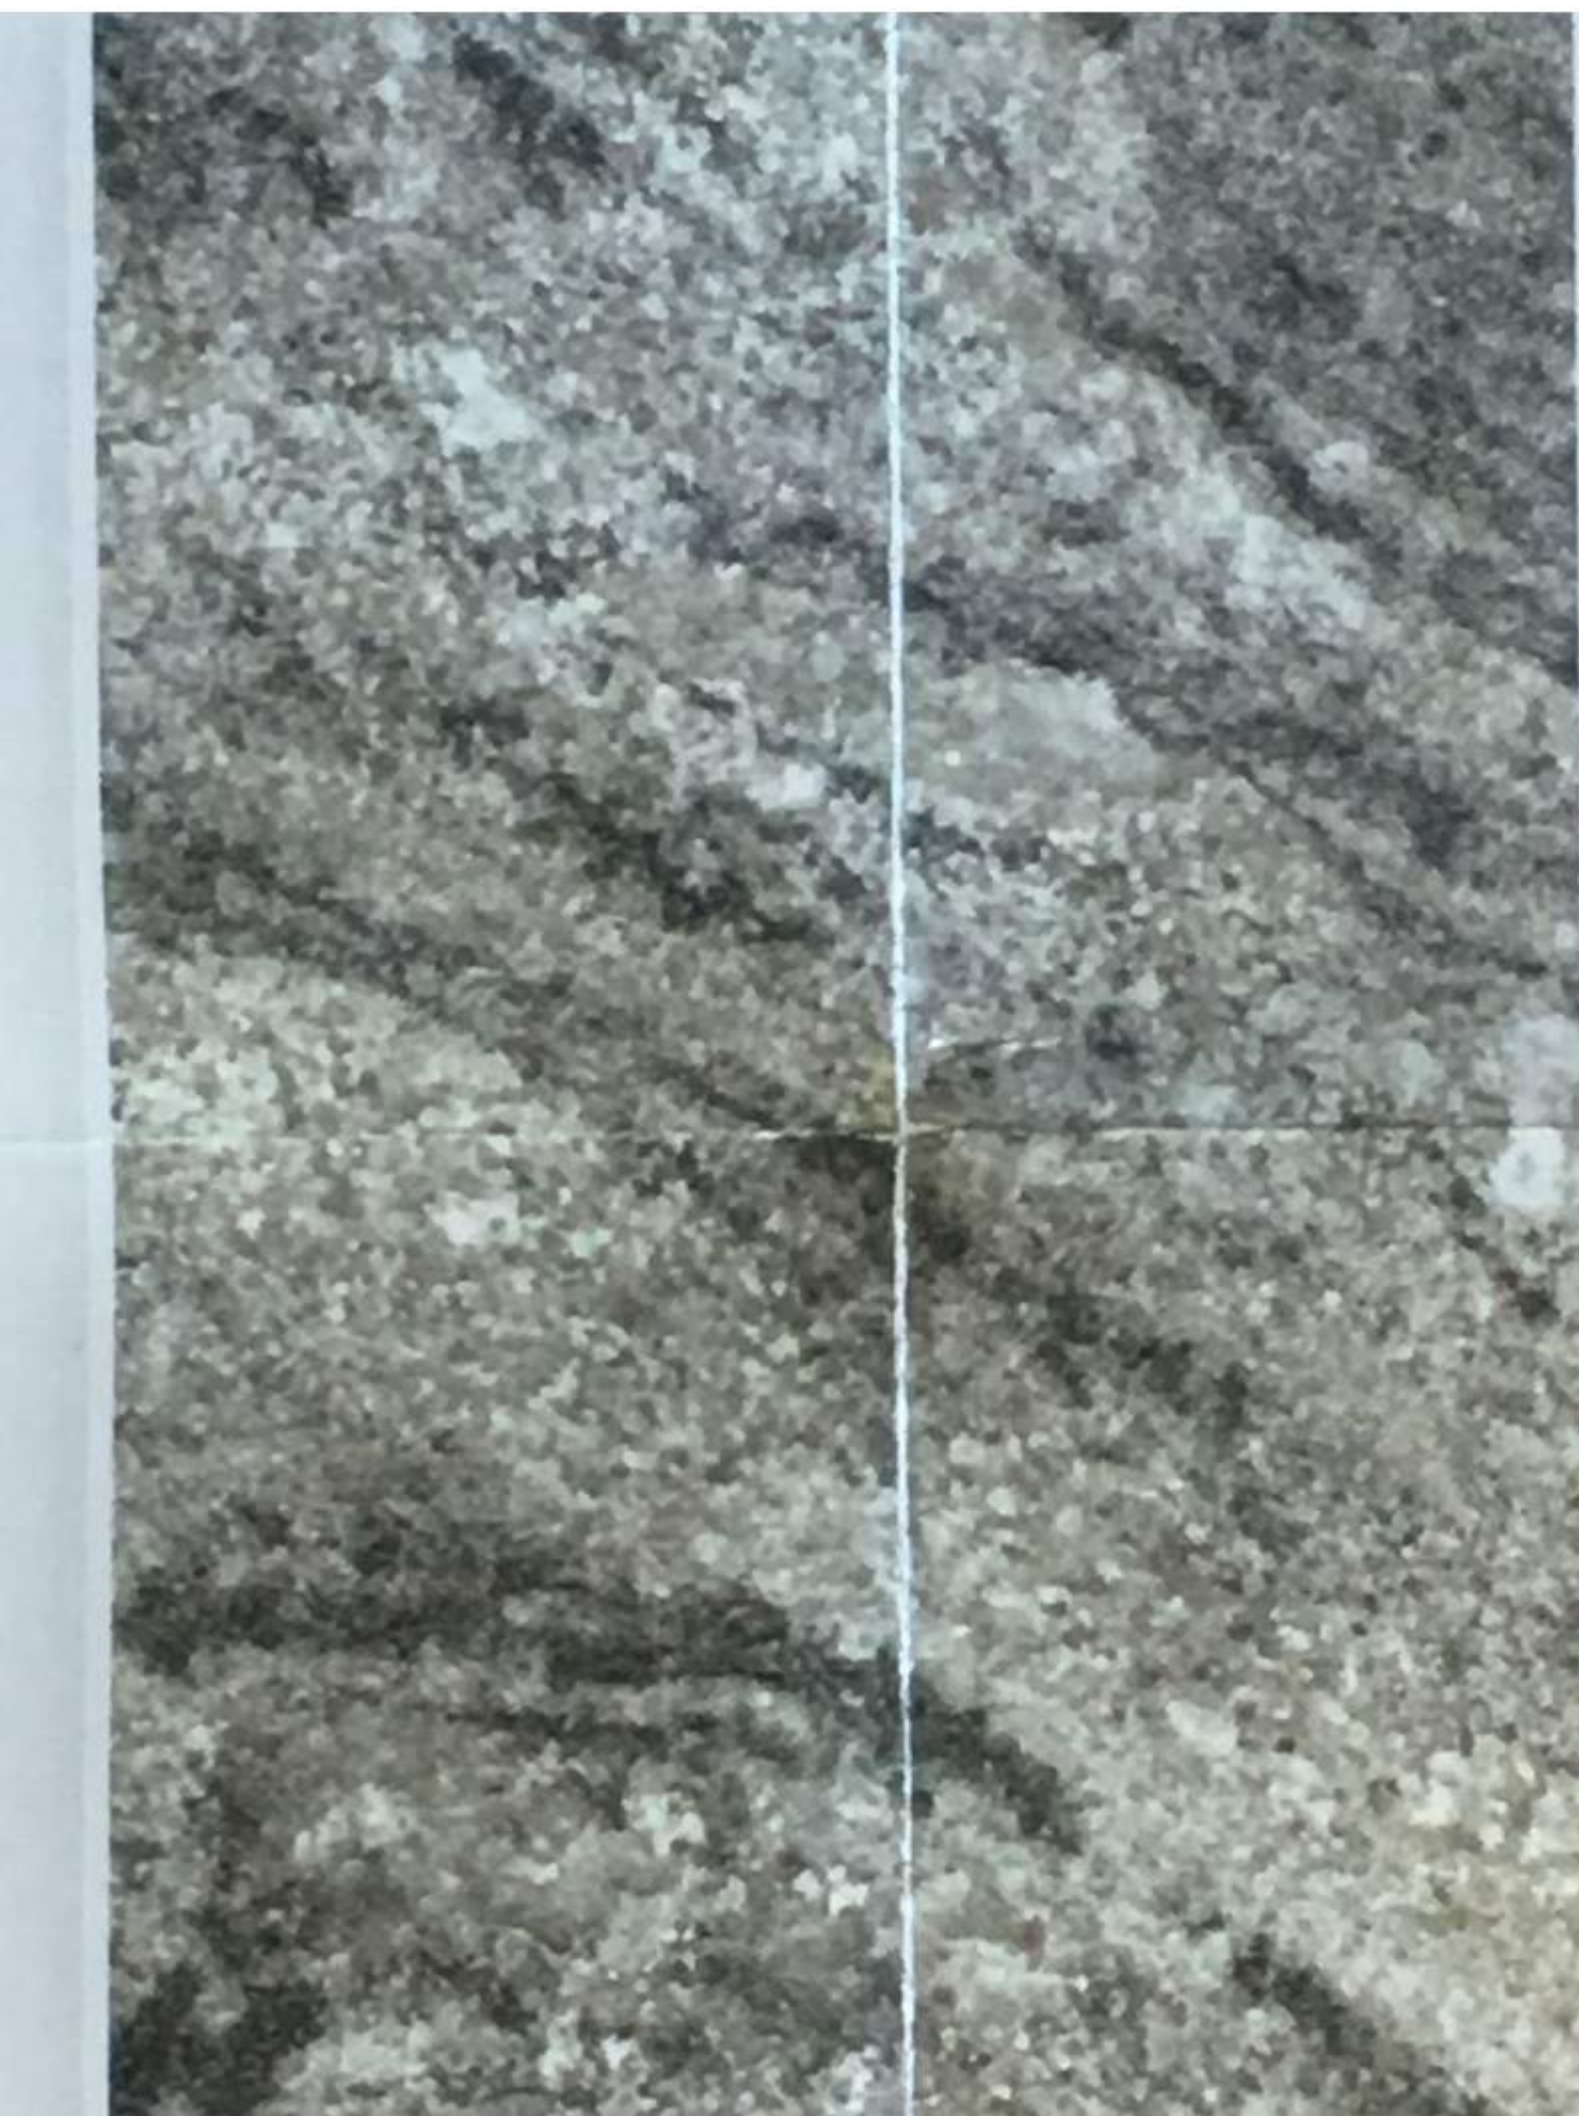

Es un producto de la naturaleza y por lo tanto no es posible garantizar que los mostradores en las tiendas y / o fotografías de réplicas coincidan exactamente con la colorida final que será instalada. Con la ayuda de la naturaleza, cada cara de granito Sensa es única con diferentes patrones, texturas, tonos y colores.
